

## Loving care in a home setting

"LOVING care when you're not here" is the wonderful motto of Tamworth Family Day Care.

Tamworth Family Day Care has registered carers who can provide care for children 0 to 12 years of age.

Each carer has a current first aid certificate and their home environment meets Tamworth Family Care's home environment scheme for home safety standards.

Carers meet the development needs of all children through daily activities which include lifetime skills, indoor and outdoors activities, craft and supervised free play.

Tamworth Family Day Care, through a choice of carers and caregiving styles, is able to provide the flexibility to meet the diverse and individual needs of families and children in the region.

Tamworth Family Day Care can be found at 81 Denison St and contacted on 6765 4509.
