

Carers provide alternative

TAMWORTH Family Day Care has registered carers that can provide care for children up to 12 years of age. Each carer has a current first aid certificate and their home environment meets our scheme Home Safety Standards.

Carers meet the developmental needs of all children through daily activities that include lifestyle skills, indoor and outdoor activities, craft

and supervised free play.

Tamworth Family Day Care, through a choice of carers and care-giving styles is able to provide the flexibility to meet the diverse and individual needs of families and children in our region.

For further inquiries, contact Doreen at Tamworth Family Day Care 6765 4599.
